

Harold L. Holliday, Sr. Montessori Elementary School

New Construction

Wellner Architects was the prime architect in the design of this new, 80,000 square foot pre-elementary and elementary school for 600 children. This facility includes twelve rooms for children between the ages of three and five and 17 classrooms for elementary age children. The program also included an administration area, a music and art room, a gym/auditorium, a cafeteria, a kitchen, and a learning resource center.
