Kansas City, Missouri 64105

802 Broadway, 4th Floor

Salt Storage Building

12,100 square footage

Wellner Architects completed preliminary designs for the North Satellite Service Center for the Public Works Department of Kansas City, Missouri. This new complex will provide facilities for the Public Works Department and maintains the integrity of the proposed Water Services Department's future facilities. The site requirements included offices, a fueling center, salt storage buildings, and general maintenance facility.

Construction Cost	\$1,262,000
Completion Date	Phase 1 August 2006
Key Personnel	Julie Wellner, Michael Berryman
Project Contact	Ingrid R. Bunn, Project Mgr (816-513-2520)

Wellner Architects, Inc.
