Army Reserve Center

UCM Golf Clubhouse

KCMO FS #41

Since beginning his employment at WAI 5 years ago, Matt has provided architectural and 3-D graphic design on several different types of projects. He has experience working on fire stations, the zoo, laboratories, office buildings, transit projects, airports, operations buildings, and facility management projects. Matt provided support on the KCI Terminal Improvements project, which included restaurants and gift shops. He also provided the design on Fire Station #41 for Kansas City, Missouri and was involved in the Construction Administration.
